WHAT TO PACK

Cell phones do not work at camp. The camp phone is 719-485-4444 and is likely only manned during business hours.

Toiletries—Toothbrush, toothpaste, shampoo, soap, lotion, etc.

Water Bottle—Each youth MUST bring a water bottle labeled with their name

Casual/Play Clothes—We will be playing outside a lot, and we will definitely get dirty

Warm Clothes—The evenings can be cool, so pack a warm sweatshirt or jacket

Pajamas—Please make sure that pajamas cover your shoulders and legs. A t-shirt and sweatpants is great!

Comfortable Shoes—We will be running and hiking, so pack sturdy shoes and slippers for the cabin

Note: Occasionally we get wet, so pack extra clothes, socks, and shoes.

Flashlight—It's good to pack your own flashlight along with extra batteries

Raincoat—Sometimes we get rained on, so a raincoat or a large trash bag with a hat is helpful

Snack—Please bring a peanut-free snack for the snack table to share with the group. Food is NOT allowed in the dorms.

We ask that each youth bring **one** of these shareable snacks: Homemade cookies (1 dozen), fruit snacks (fruit roll-ups, gummies, etc.), fresh fruit (bananas, apples, oranges, etc.), Granola Bars or trail mix, chips or pretzels (1 bag), or animal crackers. We welcome gluten free and sugar free snacks too! NO CANDY please!

Medications—All medications should be given to Carol or Devin upon arriving.

Include **written instructions** on how and when to administer the medications.

(Optional)—Water gun for the water fight. Do NOT bring water balloons.

DO NOT Bring:

Drugs, alcohol, weapons, fireworks, or anything that can potentially explode

Pets (other than seeing eye dogs, service dogs, etc.)

Valuables or money

Cell phones do not work at the camp, so we recommend leaving them and other valuables at home.

The camp provides all of the bedding, so please do NOT bring pillows, blankets, sleeping bags, sheets or other bedding materials. They also provide a towel, but you might want to pack an additional one for the water fight.
