Respond to the following statements and questions. You may attach *two* additional pages.

1. Briefly tell us why you want to chaperone the Pueblo County 4-H Globetrotters Excursion Trip.
2. Please list your 4-H chaperoning experience for overnight 4-H events.
3. Please list your chaperoning experience for non-4-H overnight youth events.
4. Being a Globetrotters chaperone is about more than going on a trip with the youth; it's an advisory leadership role. Fundraising for the trip, planning the trip, coordinating Globetrotters meetings, and mentoring the youth can take up a lot of time. How can you be certain you have the **time and skills/ability** to fulfill the requirements of this position?
5. To ensure that our chaperones are prepared to travel, we expect the Globetrotters chaperones to gain additional 4-H chaperone experience prior to going on the trip. Which of these other 4-H events could you commit to chaperoning? See next page for a list.
