

# Miniature Horse Supplement Page

Please record the information and dates that pertain to your miniature horse project. Add a page for each miniature horse and include the supplement after page 4 in your e-Record. The written test only needs to be completed once so the dates should remain the same regardless of how many miniature horses.

Miniature Horse's Name: \_\_\_\_\_

Miniature Horse's Color & Markings: \_\_\_\_\_

Official Height Measurement (inches): \_\_\_\_\_

Name of Official who measured: \_\_\_\_\_

- Height must be taken on level concrete
- They must stand square
- Measure from the last mane hair
- Only sticks certified by the ASPC/AMHR/ASPR may be used for official measuring.
- It is highly recommended that the official has experience measuring miniature horses
- They must be re-measured every year if they are under 5 years old
